Today, as the largest, independent, not-for-profit hospice in the state of Maryland, Hospice of the Chesapeake cares for patients and loved ones throughout their journey with serious illness and loss. Thanks to donor support, Hospice of the Chesapeake works closely with families to create moments that matter through hospice care, supportive care, and grief support in Anne Arundel, Calvert, Charles, and Prince George's counties.

SERVING LOVED ONES AND NEIGHBORS

Since 2020, we have invested and expanded care for the residents of Charles County including:

Expanding access to hospice care with a 143% increase in patients cared for daily.

Launch of community based Supportive Care in Charles County and the opening of the Hussman Supportive Care Center on Davis Road in Waldorf.

Opened a Clinical Education Center

including a hands-on skills lab for team members' advanced training and experiential learning.

Enhanced partnerships with local hospitals and nursing centers ensuring a full continuum of care for patients and families.

Revitalized the Charles County Inpatient Care Center enhancing patient and family experiences with refreshed spaces and new technology.

All proceeds from the Blue Crab Fun Run will remain in Charles County, ensuring dignity, compassion, and care for every patient, every family, and every community member who turns to us for care.

Creating moments that matter.
